| 72 LED Colour Changing Pool Light | Product Code:72VM01 |
|--|----------------------------|

Unique PATENTED AIR POCKET DESIGN – ensures maintenance free, long term reliability
Built in temp/current sensor – safety feature ensures longer lasting LEDs
Easily fitted to NEW or EXISTING concrete or fibreglass pools

Description:

Creating lighting effects in new & existing concrete and fibreglass swimming pools. Nineteen different modes can be selected via optional remote control to produce varied lighting effects. Patented water tight enclosure ensures long life, maintenance- free underwater lighting. Multiple lights (up to 8 using a 60VA transformer) can be installed to run in unison.

Typical Application:

Specially designed for new inground or aboveground, fibreglass or concrete pools. Two or more lights will run in unison.

Programs Include:

1. Red, green & blue on constant
2. Red constant
3. Green constant
4. Blue constant
5. Red & Green constant
6. Red & Blue constant
7. Green & Blue constant
8. Red constant with Green & Blue fading in & out
9. Green constant with Red & Blue fading in & out
10. Blue constant with Red & Green fading in & out
11. Red constant with green fading in & out
12. Red constant with blue fading in & out
13. Green constant with red fading in & out
14. Green constant with blue fading in & out
15. Blue constant with red fading in & out
16. Blue constant with green fading in & out
17. Multiple flash
18. Multiple fading in & out
19. Combination of 17 & 18

Designing electronics. Custom LED lighting. All made in Australia

Concrete Niche

Fibreglass Niche

Each light is available to suit either a concrete or fibre glass pool.
Flush-fitting pool lights are mounted into a niche, which if fitted during construction.
A 20m double insulated cable is also included.

Specifications:

| | |
|---------------------------|---|
| Lens Diameter: | 115mm |
| Depth: | 29mm out from Pool wall |
| Operating Voltage: | 12VAC Transformer type supply (i.e. NOT Electronic) |
| Concrete Niche: | High density ABS, internal diameter: 70mm |
| Fibreglass Niche: | Clear polycarbonate, internal diameter: 70mm, external diameter: 79mm |
| Light casing: | ABS body, front & lens polycarbonate |

Associated Products:

12V Transformer with Remote Control (RCV02)

Product Price:

\$295.00 + GST
